2022 Online Education New Implementation Course Preview

Join the Water Collaborative Delivery Association for a six-session package of online collaborative delivery training featuring all new curriculum for owners about to embark on a CMAR or design-build project.

Who Should Attend? Leaders, engineering, and O&M staff of public W/WW facilities who are looking to gain insight into *implementing* design-build and CMAR projects after the procurement stage. Practitioners are welcome, too!

6 SESSIONS

These topics are a preview sampling of WCDA's full Implementation Course coming in 2023, highlighting key activities from *Contract Execution to Transition to Construction*:
